

MOUNTAIN LAKE (HALIBURTON) PROPERTY OWNERS ASSOCIATION

1990 NEWSLETTER

Fellow Cottagers and Mountain Lake Residents:

The annual general meeting will be held on Saturday July 7th in the usual location at the White Water Preserve on Horseshoe Lake. A location map is on the reverse side of the financial report.

Your membership fee is \$10.00 per year and should be forwarded to Irv Mandel at R.R.2 Minden, Ontario KOM 2K0 in the self addressed envelope.

The treasurer's report is attached for your review.

In order to give everyone an opportunity to fully participate and contribute to our association, a new slate of directors and officers will be proposed at the annual meeting.

Our constitution calls for a president, two vice presidents, a secretary, a treasurer, and chair persons to head up the various committees that are ongoing as well as those committees that are established from time to time for special purposes.

None of these positions in themselves is overwhelming, providing volunteer help is forthcoming from the general membership. We would ask those who feel they can volunteer some of their talents from time to time to make it known to the membership chair person, Irv Mandel. We have maintained an active association for the past 12 years and would like to see it continue.

As a matter of interest, the various environmental issues will always be with us, but it is encouraging to know that because of the unified voice of cottagers associations and other interested groups that many issues such as water levels, acid rain etc. have gotten the attention of the appropriate authorities. As usual, these issues and other issues require constant monitoring and constant publicity so that progress can be made.

We look forward to seeing all of our property owners at our annual meeting. Have a safe, happy and fun filled 1990 summer season.

Yours very truly,

Michael D. Mahoney
President
